Mitzvah Project for the Hebrew School

Ronald McDonald Houses are located near Children's Hospitals throughout the nation. When a seriously ill child is in the hospital receiving treatment, the parents of the child can stay at a Ronald McDonald House to be close to their child. Sometimes, however, families cannot afford the cost of an overnight stay. It is tragic enough when a child is seriously ill; it is a double tragedy when the child has to be separated from parents, particularly when the separation is due to financial concerns. That's where we come in! The Shalom Hebrew School is partnering with Lisa Hoffman, the librarian for Casita Center Elementary School, in her effort to collect as many pop tabs as possible. Ms Hoffman then turns the pop tabs over to members of the Daughters of the American Revolution. For every pound collected the DAR donates the cost of one night's stay at a Ronald McDonald House for a needy family.

The Hebrew school students need you to bring in pop tabs that are found on soda cans, juice cans, soup cans, etc. There will be a receptacle at shul for the pop tabs. Please collect them and start bringing them in!
